

Glenmore Rd Public School in Woollahra is now partly powered by sunshine! The school has installed a 23kW solar power system with the help of the Solar my School program.

Annually the solar panels will produce clean green energy to power the school's learning facilities.

Save **29%** on facility's energy bill

Produce enough power equal to running **139 computers** or **5 homes**

Reduce carbon emissions by **25 tonnes**

Equivalent to taking **9 cars** off the road
