

Ryde Public School in Sydney is now partly powered by sunshine with 125 solar panels on their roof! The project has been supported by Ryde Council, and Solar my School with funding from NSW Community Building Partnerships Grants, philanthropic Purryburry Trust and NSW Department of Education.

Annually the solar panels will produce clean green energy to power the school's learning facilities.

Save **17%** on facility's energy bill

Produce enough power equal to running **244 computers** or **8 homes**

Reduce carbon emissions by **43 tonnes**

Equivalent to taking **15 cars** off the road
